11th November 2013

Dear Parent/Guardian,

Our school is delighted to announce that we are rolling out the Aladdin Schools Parent Portal to parents/guardians of children in our school.

The school uses the Aladdin Schools software service already at www.aladdin.ie for administrative purposes and the Parent Portal will give you secure access to messages from the school and to details of your child's track record in school via secure login from your internet browser. It will help to ensure that the school has the correct and up to date information about your child/children. The purpose of the portal is to strengthen home/school partnership so please let us know if there are any glitches as we are the first school in Ireland to use this system. Pupils in the senior classes already have access to the Virtual Learning Environment through Aladdin where weekly Maths Challenges and Photo Caption Competitions are up and running.

We can assure you that Aladdin Schools uses state of the art security to safeguard information entered by the school and data is stored and processed in strict compliance with Irish data protection laws.

In the next few days, you will receive a text message containing your one time registration code. Follow the instructions in the text message to

register on www.aladdin.ie During registration you will choose a username and password that you can use on the site to access the Parent Portal going forward. When you access the Parent Portal we ask that you check that the school has the correct information about your child/children. You can change this information which will be reviewed by the secretary before the changes take effect. If you have an email address please add this to the information or simply send an email to the secretary @ secretarybunclodyn@gmail.com and she will add you to our system. Email newsletters will be sent to you from now on at regular intervals.

You will receive notification via email/your child's homework journal/text message when there is a new message for you in the Parent Portal.

We hope that you enjoy using the Parent Portal and your class teacher, the secretary or I will welcome any feedback or questions you may have.

Sincerely,

A handwritten signature in cursive script, reading "Seamus M. Roibéird".

(James Roberts, Principal)

The font used in this letter is called 'Dyslexie.' It has been shown to reduce errors in reading by pupils with dyslexia. The school now uses this font for all correspondence.
