To: Parents/Guardians of Pupils in Third Class

Dear Parents/Guardians,

Our LEGO Robotics Club for Third Class will start on Tuesday 8th November from 2.30pm – 3.30pm. The pupils will be divided into groups with each group getting 6 weeks in the club. We will try to arrange the groups so that friends who travel home together after school can be accommodated. Mr. Byrne and I will run the club each Tuesday in Room 2. Pupils will be given a small snack at the start of the club. Should you wish your child to join please complete the form below and return it to the school. When the groups are arranged each pupil will be given the timetable.

Sincerely,

Principal
