Dear Parents/Guardians,

Our Board of Management asks for your support for our ‘Cairde Envelopes’ scheme for 10 weeks. This is a weekly voluntary donation of €2, which families can give to the school. It is a small donation but when supported by most families in the school it makes a real difference. Many parents have told us that this is the best way to raise funds as it involves no extra cost such as baby sitters and is small enough each week to enable most families to support the school.

This money will be used to provide extra facilities/support which the Department no longer funds. These funds will be used to replenish books in our school library, to pay for transport to matches & chess competitions and to continue to bring workshops such as The Mobile Planetarium, Percussion Workshops, Gymnastics Workshops and Bullying Awareness Workshops to the school.

Families can donate €2 each week in the attached envelopes or donate the €20 in a single donation – whatever suits you. We do very much appreciate the continued voluntary support given to the school.

Sincerely,

James Roberts, Principal
