10th January 2018

To: Parents/Guardians of Junior Infants

Dear Parents/Guardians,

Our Junior Infants will take part in another 4 weeks of the **Stretch & Grow** gymnastics programme starting on next Thursday 18th January at 9.00am. This was a very enjoyable and fun based exercise programme last term and we are asking parents of junior infants who are free to join us each Thursday morning (4 weeks) for a little exercise and lots of fun.

If you are minding a younger child feel free to bring them along. If you are unavailable and your child is dropped to school by a child minder please ask them to join us. Olivia O'Neill will again present the programme which is designed for junior infants so you will be asked to do all the activities which they will do. Don't worry as none of them are difficult and all of them are fun!

Sincerely,

James Roberts, Principal
