29th November 2018

Dear Parents/Guardians,

We are delighted to remind parents and guardians that our Christmas Concert for children in the junior classes will be held on Wednesday 12th and Thursday 13th December at 7.30pm. Tickets costing €5 will be on sale from Monday next 3rd December. We are selling the tickets through the pupils first so as to give working parents equal opportunity to get tickets for their preferred night. We ask that you put the exact money in an envelope with the day you wish tickets for clearly marked on it and give your child the envelope. The tickets will be given to your child the same day. Tickets will only be on sale from the Office directly to parents and friends from Thursday 6th December.

I wish to sincerely thank the class teachers who have been very generous with their time and enthusiastic in their support of this year's Christmas Concert. They manage to do a fine balancing act of producing wonderful shows whilst still maintaining academic progress during the months of November and December. These shows contribute significantly to the personal development of the pupils involved and provide many happy memories of school time for years to come for all involved.

We expect that children in the junior classes will be tired after the night performances and so we are allowing children to start school at 10.00am on both Thursday 13th and Friday 14th. Teachers will be in school as usual at 8.50am and children who are not performing or whose parents want them to start school at the normal time will attend class as usual. Children arriving for school at 10.00am should be seen to their classrooms by their parents.

Sincerely,

James Roberts, Principal
