Dear Parents/Guardians,

As you know school starts at 8.50am each morning. However, the Board of Management is mindful of the need to facilitate families to help them arrive on time each morning and so provides supervision of pupils in the school yard for the 10 minutes before the start of school, from 8.40am to 8.50am. Pupils who arrive early are asked to line up on the basketball courts where they will be supervised by two teachers or walk around the school (when principal is available to join them).

The main gates of the school are closed at 8.40am so cars cannot enter the yard. When the bell is sounded at 8.50am teachers collect their classes from the basketball courts. On wet days the pupils are supervised in the assembly hall for the ten minutes before the official start of school. On these wet mornings the main entrance (beside the secretary's office) will be open from 8.40am to accept pupils. Unfortunately we are unable to accommodate parents waiting with their children at this time due to space and so we ask that if you arrive early on a wet morning that you leave your child under the care of the teacher supervising in the assembly hall.

The Board of Management stresses that no facility is provided for the supervision of pupils before 8.40am and would ask that pupils not come to school before this time.

The Board would like to sincerely thank the teachers in the school for continuing to volunteer to undertake this morning supervision before the start of school.

Should you have any questions about your child's progress or any matter relating to school please do not hesitate to contact us.

Sincerely,
