Dear Parents/Guardians,

We warmly welcome back all our pupils and extend a special welcome to all our new pupils and families.

We ask for your patience over the coming months during our building programme when five new classrooms, a staffroom and toilets will be built. The Department of Education and Skills has also just granted us permission to build four new Support Rooms. We will do our best to ensure all this work is done with as little disruption to the education of our pupils as possible.

School starts at 8.50am each morning as usual. However, the Board of Management is mindful of the need to facilitate families to help them arrive on time each morning and so will provide supervision of pupils in the school yard for the 10 minutes before the start of school, from 8.40am to 8.50am. Pupils who arrive early are asked to line up on the basketball courts where they will be supervised by two teachers. The main gates of the school will now be closed at 8.40am so cars cannot enter the yard. When the bell is sounded at 8.50am teachers will collect their classes from the basketball courts.

On wet days the pupils will be supervised in the assembly hall for the ten minutes before the official start of school. On these wet mornings the main entrance (beside the secretary's office) will be open from 8.40am to accept pupils. Unfortunately we are unable to accommodate parents waiting with their children at this time and so we ask that if you arrive early on a wet morning that you leave your child under the care of the teacher supervising in the assembly hall.

The Board of Management stresses that no facility is provided for the supervision of pupils before 8.40am and would ask that pupils not come to school before this time.

The Board would like to sincerely thank the teachers in the school for volunteering to undertake this morning supervision before the start of school.

Should you have any questions about your child's progress or any matter relating to school please do not hesitate to contact us.

Sincerely,

(Principal)
