6th February 2013

Dear Parents/Guardians,

The school is currently looking at everything we do as part of our school's self-evaluation. We would very much appreciate your opinions as part of this process. **Before we start to change anything we wish to know what you think is working well.** If something is working well let's not change it but concentrate on what is not working so well. This is the first of two questionnaires asking for your opinions during February. In a few weeks we will ask you to tell us what is not working so well and needs to be changed. Please return this questionnaire before the end of school on Wednesday next 13th February. The results will be published on the school's website.

Any area of school life can be included e.g. curricular areas, the school building itself, security, facilities, extra-curricular activities, sports, library, homework club, book rental etc. If there is something worth keeping please let us know!

Please ask your children to tell us what they think by filling in the pupils' page.

Thank you for taking the time to help us,

Principal
