22<sup>nd</sup> March 2013

Dear Parents & Guardians,

Thank you for returning the school survey forms on healthy eating. We are currently examining them and will publish the results on the school's website as soon as we have collated the information. The results of the previous survey on '**How We Can Improve**' are now available on the school's website and we thank you sincerely for contributing to our school's self-evaluation.

It has come to our attention that our text messaging service seems to have some problems at the moment and we apologise for this. Messages were sent to parents this week about after school activities and homework club but some parents did not receive them. Because of these problems we will change our service provider after Easter and will send a text message to everyone on Monday 8<sup>th</sup> April from our new provider. **If you do not receive this message on Monday 8<sup>th</sup> April please contact the school at your earliest convenience.**

**School re-opens for all pupils after the Easter holidays on Monday 8<sup>th</sup> April.** We wish all our families a happy Easter.

Sincerely,

*Seáman Mú Roibeáird*
